Life Leisure Schools:

We are looking to expand our schools teaching team. Many of the available hours will be working alongside existing schools staff and therefore we welcome new staff to schools as support and mentoring will be on hand. All schools hours are 35 weeks so therefore will have no holiday entitlement. Schools hours are for the academic year and may be subject to change each year.

We will also have a few schools that will require an additional teacher in the water, usually for a term. If anyone is interested in daytime hours please contact [us](#) with your availability.
