Duty Manager

Job Purpose:

The Duty Manager will lead and oversee the running of their hub whilst on shift. You will inspire and motivate your teams to deliver exceptional customer service whilst role modelling our **WATCH** principles. As a Duty Manager you will ensure that the day to day operations within your hub are aligned with Life Leisure's Purpose and Mission. You will motivate your teams to ensure that you have a sufficient workforce who effectively **promote** and **connect** with the customers and consistently deliver the services we **provide** to the community.

About you:

You're friendly, approachable, and always ready to help. You take pride in creating a great first impression and thrive in a busy, customer-facing environment. You're confident using systems, handling payments, and solving problems calmly and professionally.

You care about your community and your colleagues, and you're always ready to go the extra mile to make someone's day better. You're a team player who lives our values and contributes to a positive workplace culture.
