

We are hiring!

Swimming Teacher

Job Purpose:

A Swimming Teacher helps to create a fun, safe, inclusive, and supportive environment in which participants may improve their water confidence, develop core aquatic skills, and improve their capability in all 4 strokes. Swimming Teachers are responsible for planning and delivering Learn to Swim sessions to children and adults. You should have a genuine passion for swimming and water-based activities with the ability to encourage lifelong participation and an enthusiasm for customer service and deliver the best service possible to Life Leisure's members and guests.

About you:

You're friendly, approachable, and always ready to help. You take pride in creating a great first impression and thrive in a busy, customer-facing environment. You're confident using systems and solving problems calmly and professionally. You care about your community and your colleagues, and you're always ready to go the extra mile to make someone's day better. You're a team player who lives our values and contributes to a positive workplace culture.
