## About the role

We are looking for an experienced and values-driven **General Manager** to lead the Marple Community Hub. This is a key leadership role with responsibility for delivering outstanding customer experiences, strong commercial performance, and meaningful community impact.

You will lead and inspire a multi-disciplinary team, ensuring the hub operates safely, efficiently and in line with Life Leisure's purpose: **to improve the lives of others**. Working closely with internal teams and local partners including Stockport Council and the NHS, you will ensure the hub plays a central role in improving health, wellbeing and community engagement in Marple.

### Hours

37 hours per week, 5 days a week.

### Location

Marple, Stockport.

### Salary

£38,371

## What we're looking for

### Essential

- Management experience within the leisure sector
- Proven experience of full budget and profit & loss accountability
- Experience leading large, multi-disciplinary teams
- Strong customer focus with a track record of delivering high-quality services
- Experience working with external partners and stakeholders
- Ability to analyse data and translate insights into practical action
- Strong understanding of health & safety responsibilities

### Desirable

- Experience working across both local authority and private leisure environments
- Knowledge of leisure management systems
- Experience in co-located or community-focused service environments
- Understanding of Quest, NPS or similar quality frameworks
- Knowledge of food and beverage operations

## Why join Life Leisure?

Life Leisure is committed to improving health, wellbeing and life chances across our communities. As General Manager at Marple Community Hub, you'll have the opportunity to make a real, visible difference — leading a flagship community facility with strong local partnerships and purpose-led ambition.
